Products after-sales service

1. 7 Days Refund Policy

- A. Guarantee of Refund: Within 7 days since the date of purchase, the manufacturer promises to refund if the product bought from AWEI immediate store or authorized distributor shops is in quality problem (artificial and external force damage excluded).
- B. Refund Procedure: Please take the product, whole set of package and original invoice to (or please freight pre-paid to) the shop you bought the product for checking. The seller will check by Quality Assurance Identification Rules to clarify the problem. If yes, the seller should refund the money the user paid for the product.

2. 15 Days Replacement Policy

- A. Guarantee of Replacement: Within 15 days since the date of purchase, the manufacturer promises to replace if the product bought from AWEI immediate store or authorized distributor shops is in quality problem (artificial and external force damage excluded).
- B. Replacement Procedure: Please take the product, whole set of package and original invoice to (or please freight pre-paid to) the shop you bought the product for checking. The seller will check by Quality Assurance Identification Rules to clarify the problem. If yes, the seller should replace the product and issue a new invoice to the user. Freight arrangements please check with the shop you contact.

3. Twelve-Month Warranty Policy

- A. Guarantee of Maintenance: Within twelve months since the date of purchase, the manufacturer promises to offer

Products after-sales service

maintenance service if the product bought from AWEI immediate store or authorized distributor shops is in quality problem (artificial and external force damage excluded).

- B. Maintenance Procedure: Please take the product, whole set of package and original invoice to (or please freight pre-paid to) the shop you bought the product for checking. The seller will check by Quality Assurance Identification Rules to clarify the problem. If yes, the seller should fill warranty card with official stamp and send back to manufacturer. After repairing, manufacturer sends the product to the seller and the seller should inform the user to collect it. Freight arrangements please check with the shop you contact.

4. Quality Assurance Identification Rules

- A. Quality Assurance is NOT applicable to those items: accessories like packing box, pouch, ear clip and earmuffs; product beyond warranty period; product got from unauthorized agents or informal channels; fake AWEI product; AWEI premium; artificial damaged product; external force damaged product.
- B. Quality Assurance Identification Procedure: Check warranty period (by original invoice) — confirm original product (check security code on AWEI official website) — check product damage (clarify artificial damage and external force like water, fire, chemicals or weight crush damages) — check product quality (to confirm if the testing result is conform to description) — check buying channel (subject to manufacturer's verification).
